Dual-Lens Cameras

For a Better Security Advantage

Reolink dual-lens cameras offer more possibilities with innovative design. The Duo Series provides an ultra-wide immersive panorama with less distortion. The TrackMix Series features hybrid zoom and dual tracking for both wide-angle and close-up views of the tracked object. These cameras also have up to 4K clarity, smart detection, and color night vision. Different versions are available for flexible powering options.

Duo Series — Panoramic View

180°

TrackMix Series — Multiple Tracking Modes

Wide-Angle View

Close-Up View

Reolink Dual-Lens Cameras: Duo Series

180° Panoramic High-Resolution Dual-Lens Cameras

180° Panoramic View
See a 180° panorama from the dual lens with low distortion in one view.

Up to 4K 8MP Ultra HD
The high resolution helps get clearer and sharper images or videos.

Color Night Vision
The 8 spotlights enhance night vision and also alert visitors.

Person/Vehicle/Pet Detection
Smart detection distinguishes people, vehicles, and pets from other objects.

Two-Way Audio
The built-in mic & speaker allow you to listen and talk to your visitors in real time.

Flexible Powering Options
Power the camera via rechargeable battery/ solar panel, DC adapter, or Ethernet cable.

Battery-Powered Versions

Reolink Duo 2/Reolink Duo 2 LTE

- 2K+ 6MP Super HD
- 180° Panorama
- Person/Vehicle/Pet Detection
- Two-Way Audio
- Color Night Vision
- 5/2.4GHz WiFi or 4G LTE
- Time Lapse
- Battery/Solar Powered

Wired Versions

Reolink Duo 2 WiFi

- 4K 8MP Ultra HD
- 180° Panorama
- Person/Vehicle/Pet Detection
- Two-Way Audio
- Color Night Vision
- 5/2.4GHz Dual-Band WiFi
- Time Lapse
- DC Powered

Reolink Duo 2 PoE

- 4K 8MP Ultra HD
- 180° Panorama
- Person/Vehicle/Pet Detection
- Two-Way Audio
- Color Night Vision
- Time Lapse
- Power over Ethernet

Reolink Dual-Lens Cameras: Duo Series

Floodlight Cameras with Twin Lenses for 180° Panorama

Reolink Duo Floodlight WiFi

- 4K 8MP Ultra HD
- 180° Panorama
- Person/Vehicle/Pet Detection
- Two-Way Audio
- Color Night Vision
- 5/2.4GHz Dual-Band WiFi
- Powerful Floodlights
- Time Lapse

Reolink Duo Floodlight PoE

Wire-Free Cameras

Versatile, Reliable, Convenient

The battery/solar-powered cameras free you from wire hassles. With our dual-band WiFi battery cameras, you can get a better network connection. With our 4G cameras, you can still enjoy security with no WiFi. We also have pan & tilt versions that help you get more areas covered.

Reolink Battery Cameras: Go Series

100% Wire-Free 4G LTE Battery Powered Cameras

2K 4MP Super HD
4MP resolution provides clearer and sharper images/videos.

4G LTE Mobile Network
Based on the 4G LTE mobile network; an ideal option when you have no WiFi.

Solar-Powered or Battery-Powered
No worry about changing batteries. Solar panel keeps the battery charged and ready.

Person/Vehicle Detection
Offers accurate person and vehicle detection which greatly reduces false alarms.

Two-Way Audio
The built-in mic & speaker allow you to listen and talk to your visitors in real time.

Certified Weather Resistance
You can rely on your cameras rain or shine, indoors or outdoors.

Reolink Battery Cameras

Reolink Go PT Plus

- 2K 4MP Super HD
- 355° Pan & 140° Tilt
- Person/Vehicle Detection
- Two-Way Audio
- 4G LTE Network
- Battery/Solar Powered
- Weatherproof

Reolink Go Plus

- 2K 4MP Super HD
- Person/Vehicle Detection
- Two-Way Audio
- 4G LTE Network
- Battery/Solar Powered
- Weatherproof

> "(For) anyone who doesn't have access to a reliable Wi-Fi signal—the Reolink Go Plus is a solid and unique camera option on the market."

TechHive

> "After a year of viewing our construction site daily, we found this camera reliable, durable, and provides high quality video for a reasonable cost."

appleinsider

KEEN Trail Cameras

4G PT Battery Powered Trail Camera with Animal Detection

KEEN By Reolink

KEEN is dedicated to producing a series of trail cameras for outdoor enthusiasts. With the invisible IR LEDs and camouflage design, these battery cameras are expertly designed for nature exploration.

360° View in 2K Super HD
This pan-tilt trail camera can offer a 360° view in 2K super high resolution.

No-Glow IR LEDs (940nm)
Easy to hide with camo design plus invisible lights. See animals without alerting them.

Solar-Powered or Battery-Powered
Works non-stop with a long-lasting 6000mAh battery and a solar panel.

Animal Detection
Receive instant alerts with snapshots when an animal passes your camera.

Reolink Battery Cameras: Argus Series

100% Wire-Free WiFi Battery & Solar Powered Cameras

Up to 2K 4MP Super HD
Higher resolution provides clearer images & videos and brings more details.

Solar-Powered or Battery-Powered
No worry about changing batteries. Solar panel keeps the battery charged and ready.

WiFi Connection
Place it anywhere within the WiFi range. Get better connection with the 5GHz signals.

Smart Detection
Sends you real-time alerts and filters out unwanted notifications and events.

Two-Way Audio
The built-in mic & speaker allow you to listen and talk to your visitors in real time.

Certified Weather Resistance
You can rely on your cameras rain or shine, indoors or outdoors.
